Recognised certificates of colonial and foreign dentist.

If a person is refused registration as a colonial dentist or as a foreign dentist, the general registrar shall, if required by him, state in writing the reason for such refusal, and if such reason be that the certificate held or obtained by him is not such a recognised certificate as above defined, such person may appeal to the Privy Council, and the Privy Council, after hearing the General Council, may dismiss the appeal or may order the General Council to recognise such certificate, and such order shall be duly obeyed.

11. (1.) A register shall be kept by the general registrar to be styled the dentists register; and that register shall—

(3.) The General Council shall cause a correct copy of the dentists register to be from time to time and at least once a year printed under their direction, and published and sold, which copy shall be admissible in evidence.

(4.) The dentists register shall be deemed to be in proper custody when in the custody of the general registrar, and shall be of such a public nature as to be admissible as evidence of all matters therein on its mere production from that custody.

(5.) Every local registrar shall keep such register and perform such duties in relation to registration under this Act as the General Council from time to time direct, and receive such remuneration out of the registration fees as the General Council assign him.

Every registrar shall in all respects in the execution of his discretion and duty in relation to any register under this Act, conform to any orders made by the General Council under this Act, and to any special directions given by the General Council.

(6.) The General Council may, if they think fit, from time to time make, and when made, revoke and vary, orders for the registration in (on payment of the fee fixed by the orders) and the removal from the dentists register of any additional diplomas, memberships, degrees, licences, or letters held by a person registered therein, which appear to the Council to be granted after examination by any of the medical authorities in respect of a higher degree of knowledge than is required to obtain a certificate of fitness under this Act.

a registered letter another notice, referring to the first notice, and stating that no answer thereto has been received by the registrar, and if the general registrar either before the second notice is sent receives the first notice back from the dead letter office of the Postmaster General, or receives the second notice back from that office, or does not within three months after sending the second notice receive any answer thereto from the said person, that person shall, for the purpose of the present section, be deemed to have ceased to practise and his name may be erased accordingly.

(4.) In the execution of his duties the general registrar shall act on such evidence as in each case appears sufficient.

13. The General Council shall cause to be erased from the dentists register any entry which has been incorrectly or fraudulently made.

Erasing from dentists register name of practitioner convicted of crime or guilty of disgraceful conduct.

Where a person registered in the dentists register has, either before or after the passing of this Act, and either before or after he is so registered, been convicted either in Her Majesty's dominions or elsewhere of an offence which, if committed in England, would be a felony or misdemeanor, or been guilty of any infamous or disgraceful conduct in a professional respect, that person shall be liable to have his name erased from the register.

The General Council may, and upon the application of any of the medical authorities shall, cause inquiry to be made into the case of a person alleged to be liable to have his name erased under this section, and, on proof of such conviction or of such infamous or disgraceful conduct, shall cause the name of such person to be erased from the register :

Provided that the name of a person shall not be erased under this section on account of his adopting or refraining from adopting the practice of any particular theory of dentistry or dental surgery, nor on account of a conviction for a political offence out of Her Majesty's dominions, nor on account of a conviction for an offence which, though within the provisions of this section, does not, either from the trivial nature of the offence or from the circumstances under which it was committed, disqualify a person for practising dentistry.

Any name erased from the register in pursuance of this section shall also be erased from the list of licentiates in dental surgery or dentistry of the medical authority of which such person is a licentiate.

14. Where the General Council direct the erasure from the dentists register of the name of any person, or of any other entry, the name of that person, or that entry, shall not be again entered in the register, except by direction of the General Council, or by order of a court of competent jurisdiction.

The name of any person erased from the dentists register at the request of such person or with his consent shall, unless it might, if not so erased, have been erased by order of the General Council, be restored to the register on his application, on payment of such fee not exceeding the registration fee as the General Council from time to time fix.

Where the name of a person restored to the register in pursuance of this section has been erased from the list of licentiates in dental surgery or dentistry of any medical authority, that name shall be restored to such list of licentiates.

Committee of
General Council
for purpose of
erasure from and
restoration to
the register.

15. The General Council shall for the purpose of exercising in any case the powers of erasing from and of restoring to the dentists register the name of a person or an entry, ascertain the facts of such case by a committee of their own body, not exceeding five in number, of whom the quorum shall be not less than three, and a report of the Committee shall be conclusive as to the facts for the purpose of the exercise of the said powers by the General Council.

The General Council shall from time to time appoint and shall always maintain a committee for the purposes of this section, and subject to the provisions of this section may from time to time determine the constitution, and the number and tenure of office of the members, of the committee.

Orders of
General Council.

17. Subject to the provisions of this Act, the General Council may from time to time make, alter, and revoke such orders and regulations as they see fit for regulating the general register and the local registers, and the practice of registration under this Act and the fees to be paid in respect thereof.

Examinations.

Examinations in
dental surgery.

18. Notwithstanding anything in any Act of Parliament, charter, or other document, it shall be lawful for any of the medical authorities (herein-after referred to as colleges or bodies) who have power for the time being to grant surgical degrees, from time to time to hold examinations for the purpose of testing the fitness of persons to practise dentistry or dental surgery who may be desirous of being so examined, and to grant certificates of such fitness; and any person who obtains such a certificate from any of those colleges or bodies shall be a licentiate in dental surgery or dentistry of such college or body, and his name shall be entered on a list of such licentiates to be kept by such college or body.

Each of the said colleges or bodies shall admit to the examinations held by them respectively under this section any person desirous of being examined who has attained the age of twenty-one years, and has complied with the regulations in force (if any) as to education of such college or body.

Board of
examiners.

19. Subject to the provisions herein-after contained with reference to a medical board, the council or other the governing body of the Royal College of Surgeons of Edinburgh, and of the Faculty of Physicians and Surgeons

of Glasgow, and of the Royal College of Surgeons in Ireland, and of any university in the United Kingdom respectively, may from time to time appoint a board of examiners for the purpose of conducting the examinations and granting the certificates herein-before mentioned.

Each of such boards shall be called the Board of Examiners in Dental Surgery or Dentistry, and shall consist of not less than six members, one half of whom at least shall be persons registered under this Act, and such registration shall (notwithstanding anything in any Act of Parliament, charter, or other document) be deemed the only qualification necessary for the membership of such board.

The persons appointed by each such council or other governing body shall continue in office for such period, and shall conduct the examinations in such manner, and shall grant certificates in such form, as such council or other governing body may from time to time, by byelaws or regulations, respectively direct.

A casual vacancy in any such board of examiners may be filled by the council or other governing body which appointed such board, but the person so appointed shall be qualified as the person in whose stead he is appointed was qualified, and shall hold office for such time only as the person in whose stead he is appointed would have held office.

20. Such reasonable fees shall be paid for the certificates to be granted under this Act by the board of examiners of the Royal College of Surgeons of Edinburgh, the Faculty of Physicians and Surgeons of Glasgow, and of the Royal College of Surgeons in Ireland, and of any such university as aforesaid respectively, as the council or other the governing body of each of those colleges or bodies may from time to time, by byelaws or regulations, respectively direct.

Fees for examination.

21. The Royal College of Surgeons of England shall continue to hold examinations and to appoint a board of examiners in dentistry or dental surgery for the purpose of testing the fitness of persons to practise dentistry or dental surgery who may be desirous of being so examined, and to grant certificates of such fitness, subject and according to the provisions of their charter dated the eighth day of September one thousand eight hundred and fifty-nine, and the byelaws made, or to be made, in pursuance thereof; and any person who obtains such a certificate shall be a licentiate in dental surgery of the said college, and his name shall be entered on a list of such licentiates to be kept by the said college.

Continuance of examination in dental surgery by Royal College of Surgeons of England.

22. Every medical authority shall from time to time, when required by the General Council, furnish such Council with such information as such Council may require as to the course of study and examinations to be gone through in order to obtain such certificates as are in this Act mentioned, and generally as to the requisites for obtaining such certificates; and any member or members of the General Council, or any person or persons deputed for this purpose by such Council, or by any branch council, may attend and be present at any such examinations.

General Council may require information as to examinations.

23. Where it appears to the General Council that the course of study and examinations to be gone through in order to obtain such certificate as in this Act mentioned from any of the said colleges or bodies are not such as to secure the possession by persons obtaining such certificate of the requisite knowledge and skill for the efficient practice of dentistry or dental surgery, the General Council may represent the same to Her Majesty's Privy Council.

Representation to Privy Council of defects in examination.

Powers of Privy Council, on representation, to make order.

24. The Privy Council, on any representation made as aforesaid, may, if they see fit, order that a certificate granted by any such college or body after such time as may be mentioned in the order shall not confer any right to be registered under this Act.

Any such order may be revoked by the Privy Council on its being made to appear to them, by further representation from the General Council or otherwise, that such college or body has made effectual provision, to the satisfaction of the General Council, for the improvement of such course of study or examination.

Consequences of order.

25. After the time mentioned in this behalf in any such Order in Council, no person shall be entitled to be registered under this Act in respect of a certificate granted by the college or body to which such order relates after the time therein mentioned, and the revocation of any such order shall not entitle any person to be registered in respect of a certificate granted before such revocation.

Privy Council may prohibit attempts to impose restrictions as to any theory of dentistry by bodies entitled to grant certificates.

26. If it appears to the General Council that an attempt has been made by any medical authority to impose on any candidate offering himself for examination an obligation to adopt or refrain from adopting the practice of any particular theory of dentistry or dental surgery as a test or condition of admitting him to examination, or granting a certificate of fitness under this Act, the General Council may represent the same to the Privy Council, and the Privy Council may thereupon issue an injunction to the authority so acting directing them to desist from such practice, and in the event of their not complying therewith, then to order that such authority shall cease to have power to confer any right to be registered under this Act so long as they continue such practice.

Saving as to registration under 21 & 22 Vict. c. 90.

27. A certificate under this Act shall not confer any right or title to be registered under the Medical Act, 1858, in respect of such certificate, nor to assume any name, title, or designation implying that the person mentioned in the certificate is by law recognised as a licentiate or practitioner in medicine or general surgery.

Provision for conduct of examination by medical boards, if established.

21 & 22 Vict. c. 90.

28. In the event of a board being at any time after the passing of this Act established, whether under the name of a medical board or otherwise, for nominating on behalf of any two or more of the medical authorities examiners of persons desirous of practising medicine and surgery, whether such board (in this Act referred to as a medical board) is established under the Medical Act, 1858, or otherwise, a person shall not receive a certificate of fitness to practise as a dentist from any medical authority represented on such board, or, if such board is established for the whole of England, Scotland, or Ireland, shall not be entitled to be registered in respect of any certificate obtained in England, Scotland, or Ireland, as the case may be, unless he has obtained from such board a certificate that he has shown by examination that he is qualified to practise dentistry or dental surgery: Provided that one half at least of the examiners at any such examination shall be persons registered under this Act.

The medical board shall, in such manner as may be from time to time directed by the General Council, certify to the general registrar and to the medical authorities the persons who have shown by examination that they are qualified to practise dentistry or dental surgery, and every person so certified shall on application receive from the Royal College of Surgeons of England, or the Royal College of Surgeons of Edinburgh, or the Faculty of Physicians and Surgeons of Glasgow, or the Royal College of Surgeons of

Ireland, a certificate of fitness constituting such person a licentiate in dental surgery or dentistry of such college or faculty.

If a medical authority certify to the general registrar the names and addresses of the persons who, having been so certified by a medical board, have received certificates from that authority, together with the other particulars required for the registration of such persons, the general registrar may, upon payment of the registration fee, register every such person in the dentists register without application from that person.

The General Council shall have the same power of making rules respecting the examination of persons desiring to obtain certificates of being qualified to practise dentistry or dental surgery as they have for the time being in respect of the examination of persons desiring to obtain a qualification to practise medicine and surgery, and there shall be the same right of appeal to the Privy Council against such rules.

The General Council and the Privy Council shall have the same control over the medical board, so far as regards the examination of persons desiring to practise dentistry or dental surgery, as they have as regards the examination of persons desiring to practise medicine and surgery, and shall have the same power of dismissing the members of such board.

The General Council may cause to be framed, and may approve, and when approved, submit to the Privy Council, a scheme to carry into effect the provisions of this Act with respect to a medical board, and rules respecting examinations, and for extending, with or without any exception or modification, to the examination of persons desirous of practising dentistry or dental surgery, the provisions of any Act for the time being in force with respect to the examination of persons desiring to practise medicine or surgery, and any such scheme when confirmed by the Privy Council shall have full effect.

Any such scheme may provide for the fees to be paid on admission to the examinations, and for the application of such fees for public purposes, and generally for such matters as appear to be necessary or proper for carrying into effect the scheme and regulating the examinations.

It shall be lawful for Her Majesty at any time after the said appointed day to declare by Order in Council that section twenty-eight of the said Dentists Act, 1878, shall be in force on and after a day to be named in such Order, but in the meantime and until such order has been made, and before such day as last aforesaid, such section shall not be deemed to be in force.

Supplemental.

29. A copy of the register of dentists for the time being, purporting to be printed and published in pursuance of this Act, shall be evidence in all cases (until the contrary be made to appear) that the persons therein specified are registered according to the provisions of this Act; and the absence of the name of any person from such copy shall be evidence (until the contrary be made to appear) that such person is not registered according to the provisions of this Act: Provided that, in the case of any person whose name does not appear in such copy, a certified copy under the hand of the registrar of the General Council of the entry of the name of such person in the dentists register shall be evidence that such person is registered according to the provisions of this Act.
